

There is no Constitutional Crisis....only the crisis of ignorance.

House Intel votes to release controversial surveillance memo to the public

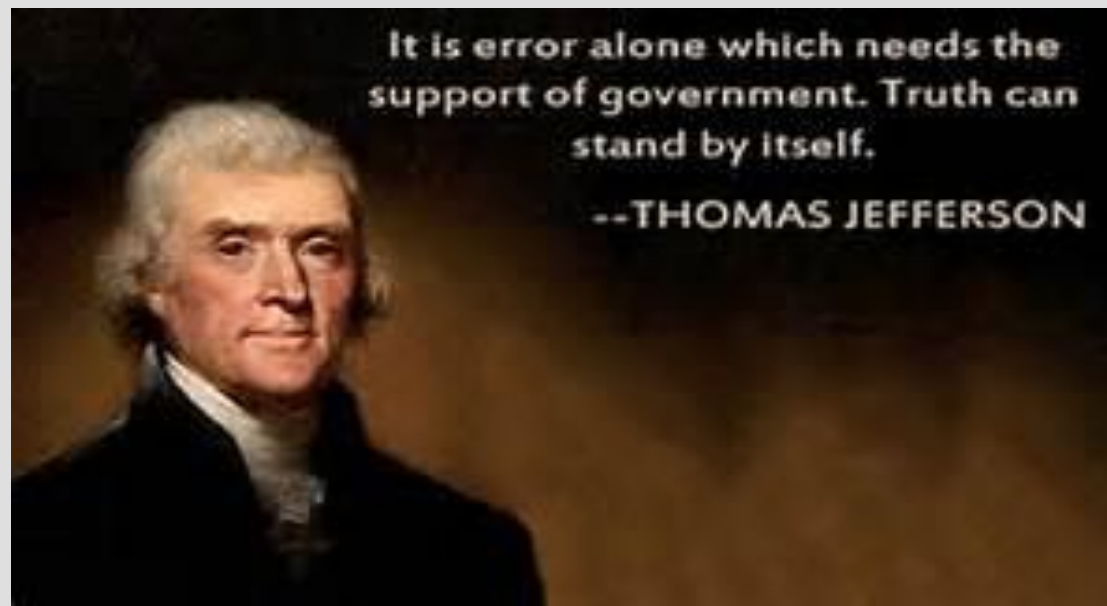

By Alex Pappas | Fox News

In the **old republic**, the entrenched shadow governing Deep State fears the release of information clearly implicating them violating their sworn oath to defend and protect the Constitution.

In the **New Republic**, members enjoy the proper pursuit and offering of due process under the very same Constitution these traitors abdicated.

...and justice will not be perverted.

Sent from the New Republic.

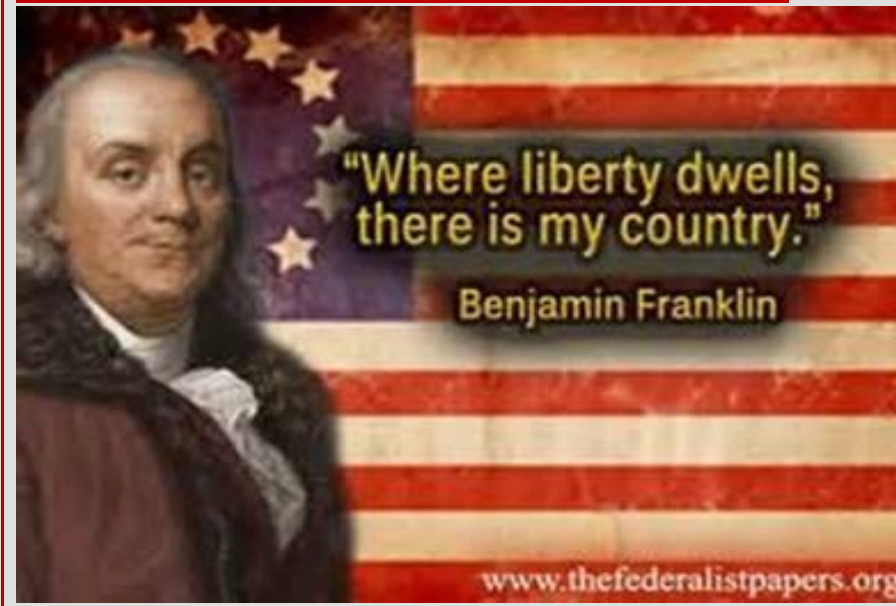

We stole the eye that sees us all.....

...and returned it to the 4th Amendment.

Amendment 4 - Protection from Unreasonable Searches and Seizures

....and the perpetrators of the eye are being pursued and offered proper due process under the Constitution.

Not Fragile.
